

CCSD Standardized Testing and School Activity Withdrawal Form

Alaska Statute 14.03.016 (HB 156) mandates that the local school board shall, in consultation with parents, teachers, and school administrators, adopt procedures which allow you to withdraw your child(ren) from any standardized assessments or test required by the state.

CCSD offers the following assessments:

AK STAR: Math & ELA State test for grades 3rd - 9th. It is administered online in the spring at each of our schools.

DRC: Science State test for grades 5th, 8th, and 10th. It is administered online in the spring at each of our schools.

MAP: Math, Language and Reading assessments. MAP Summative Math, Language and Reading assessments will be administered each spring as part of the state of Alaska's statewide assessment program. MAP Growth Math and Reading assessments will be administered each fall and winter as part of CCSD's district assessment program.

DIBELS: a literacy screener done by school staff one-on-one with your student, three times per year, and usually takes about 5 to 10 minutes.

If you do not want your child(ren) to participate in these assessments, please complete the following form with your electronic signature.

Student Name: _____ Grade: _____

I would like this student withdrawn from the following Statewide assessments:

- DRC Science (5th, 8th, 10th Grade)
